

THIS NEW YEAR'S EVE
SUPPORT YOUTH
TO SOAR INTO

2023 -
2ND JAN
2024

2024

TAKING PLACE IN OTTAWA, THE UNSURRENDERED
TERRITORY OF THE ANISHINAABE ALGONQUIN NATION

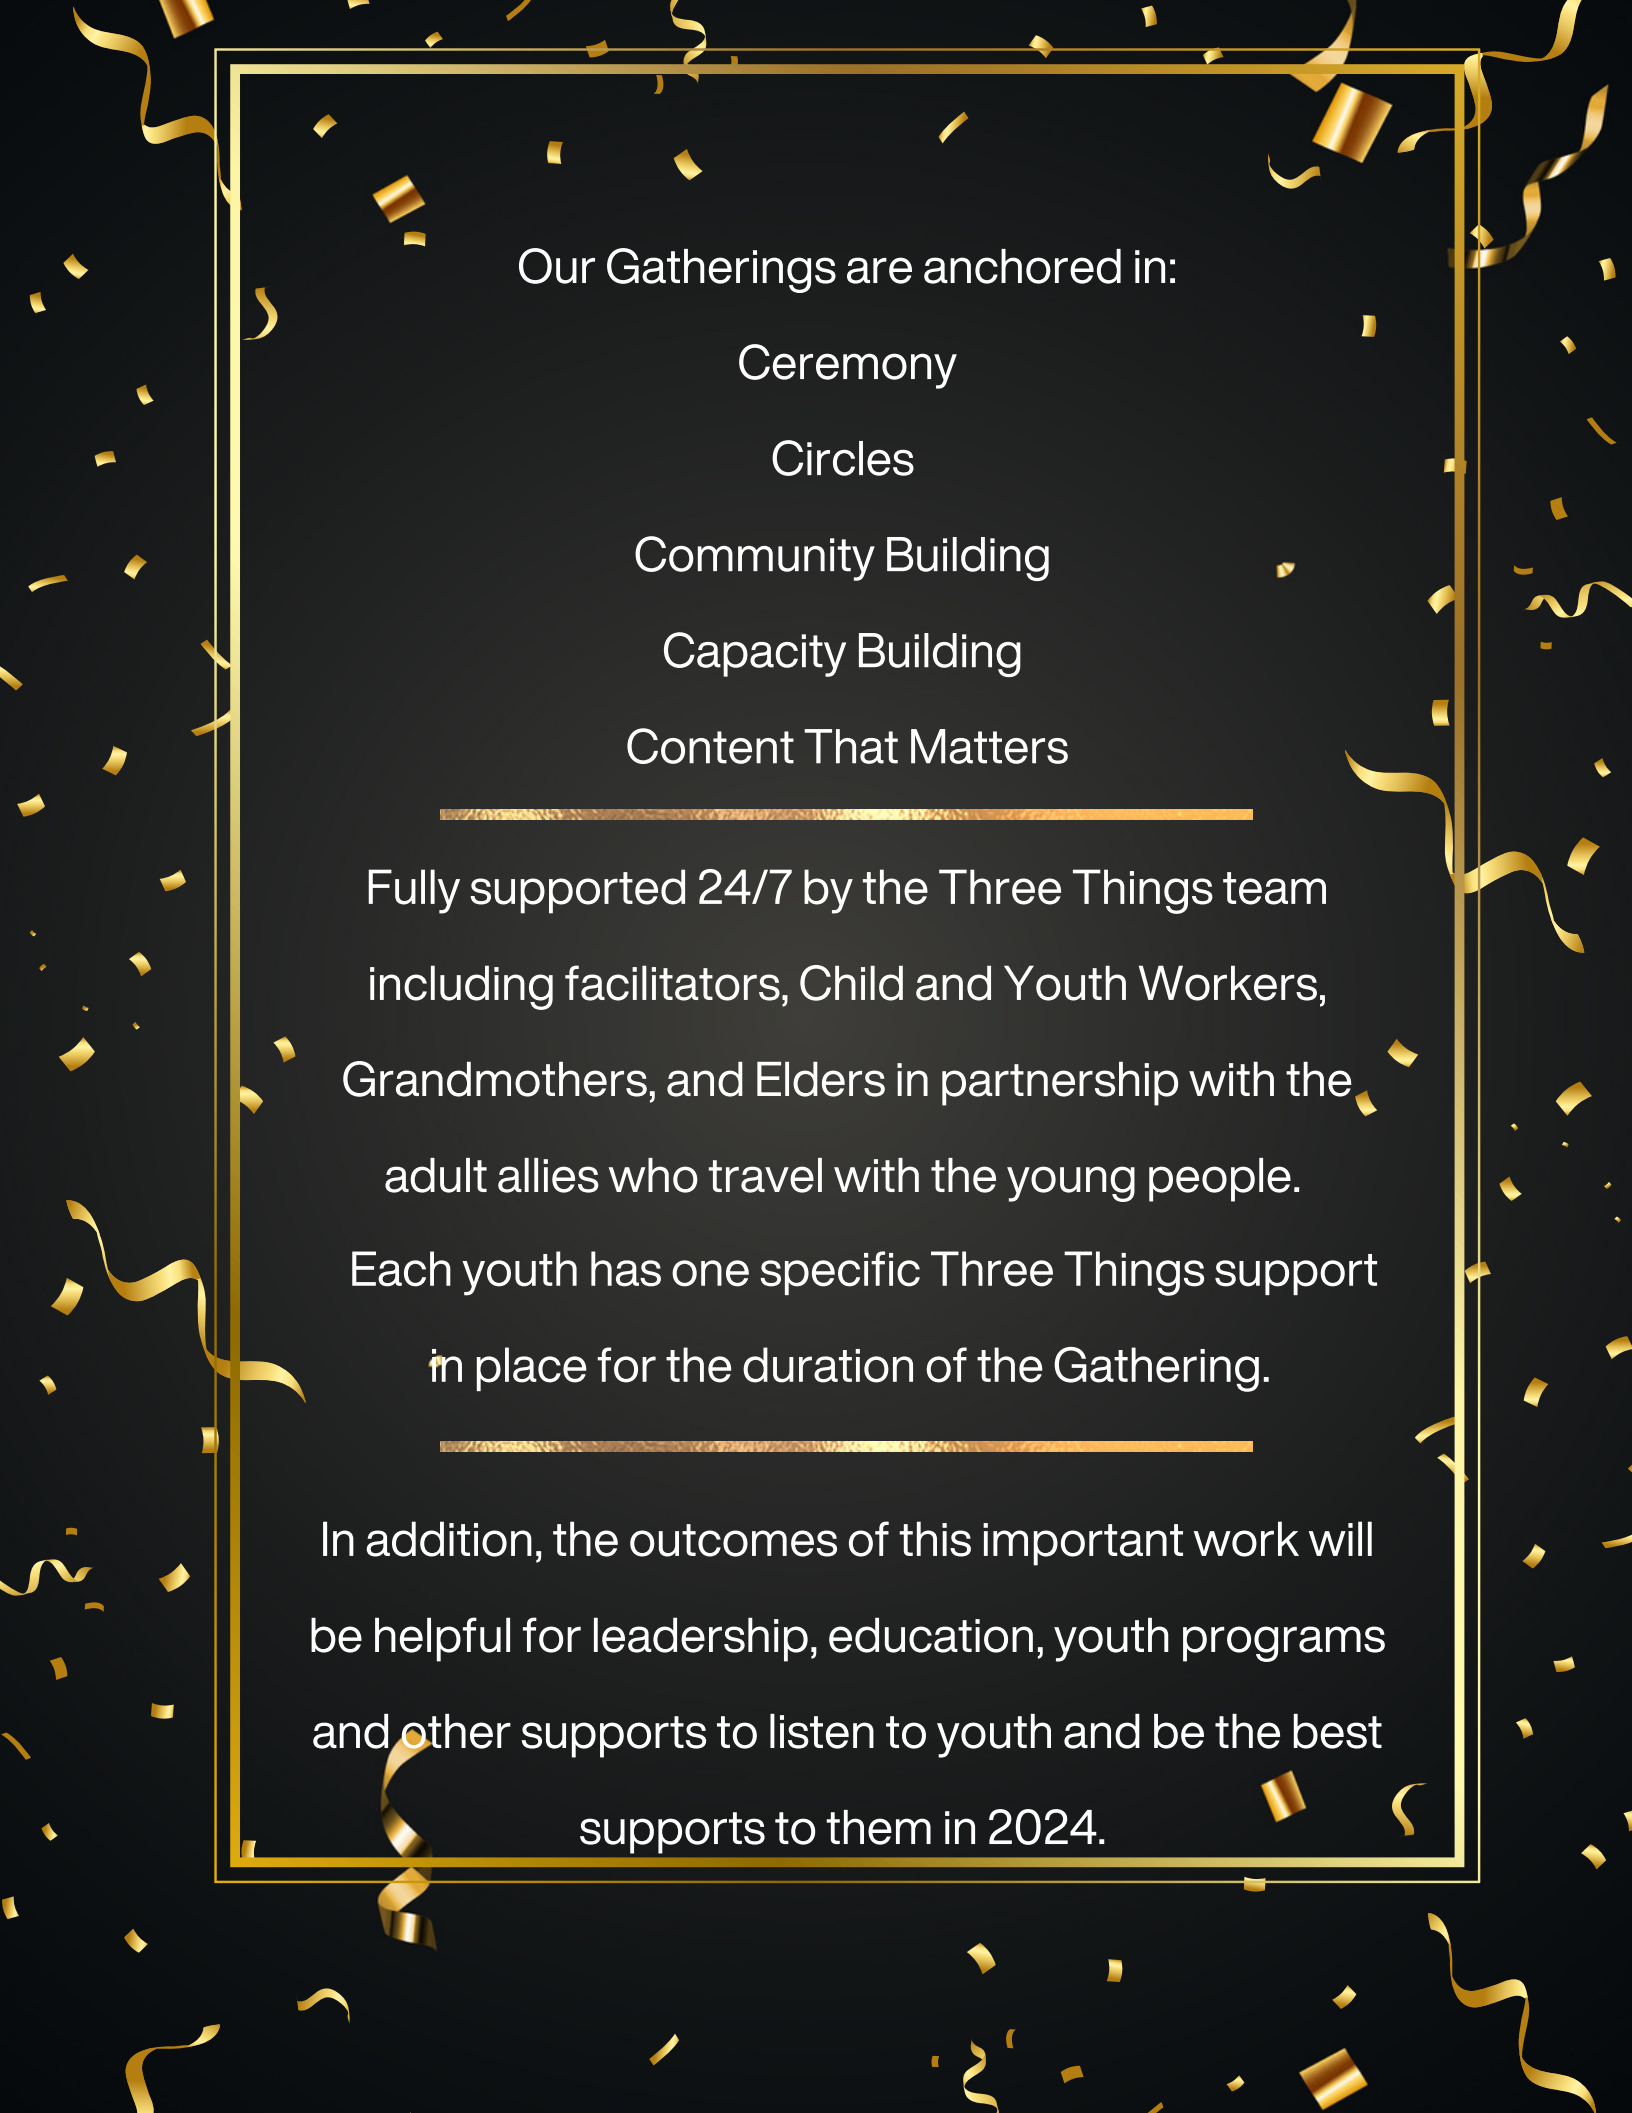

As they arrive in Ottawa, we will welcome between 20 - 30 youth, between 13 - 18 years old and 5 adult allies from your community to celebrate the bringing in of a new year with our special Youth Voice, Development, and Healing Gathering. In a safe and supported space, youth will identify their vision of 2024 for themselves, their families, their Nation, community and / or organization.

This specially designed process will create space for youth to determine what they want, need, hope, and aspire for in 2024.

Each young person will return home with a tool that will support them in breathing life into their vision, so they can...

SOAR INTO 2024

The background of the entire image is black, decorated with numerous gold streamers and confetti pieces that appear to be falling or floating. A thin gold rectangular border frames the central text area.

Our Gatherings are anchored in:

Ceremony

Circles

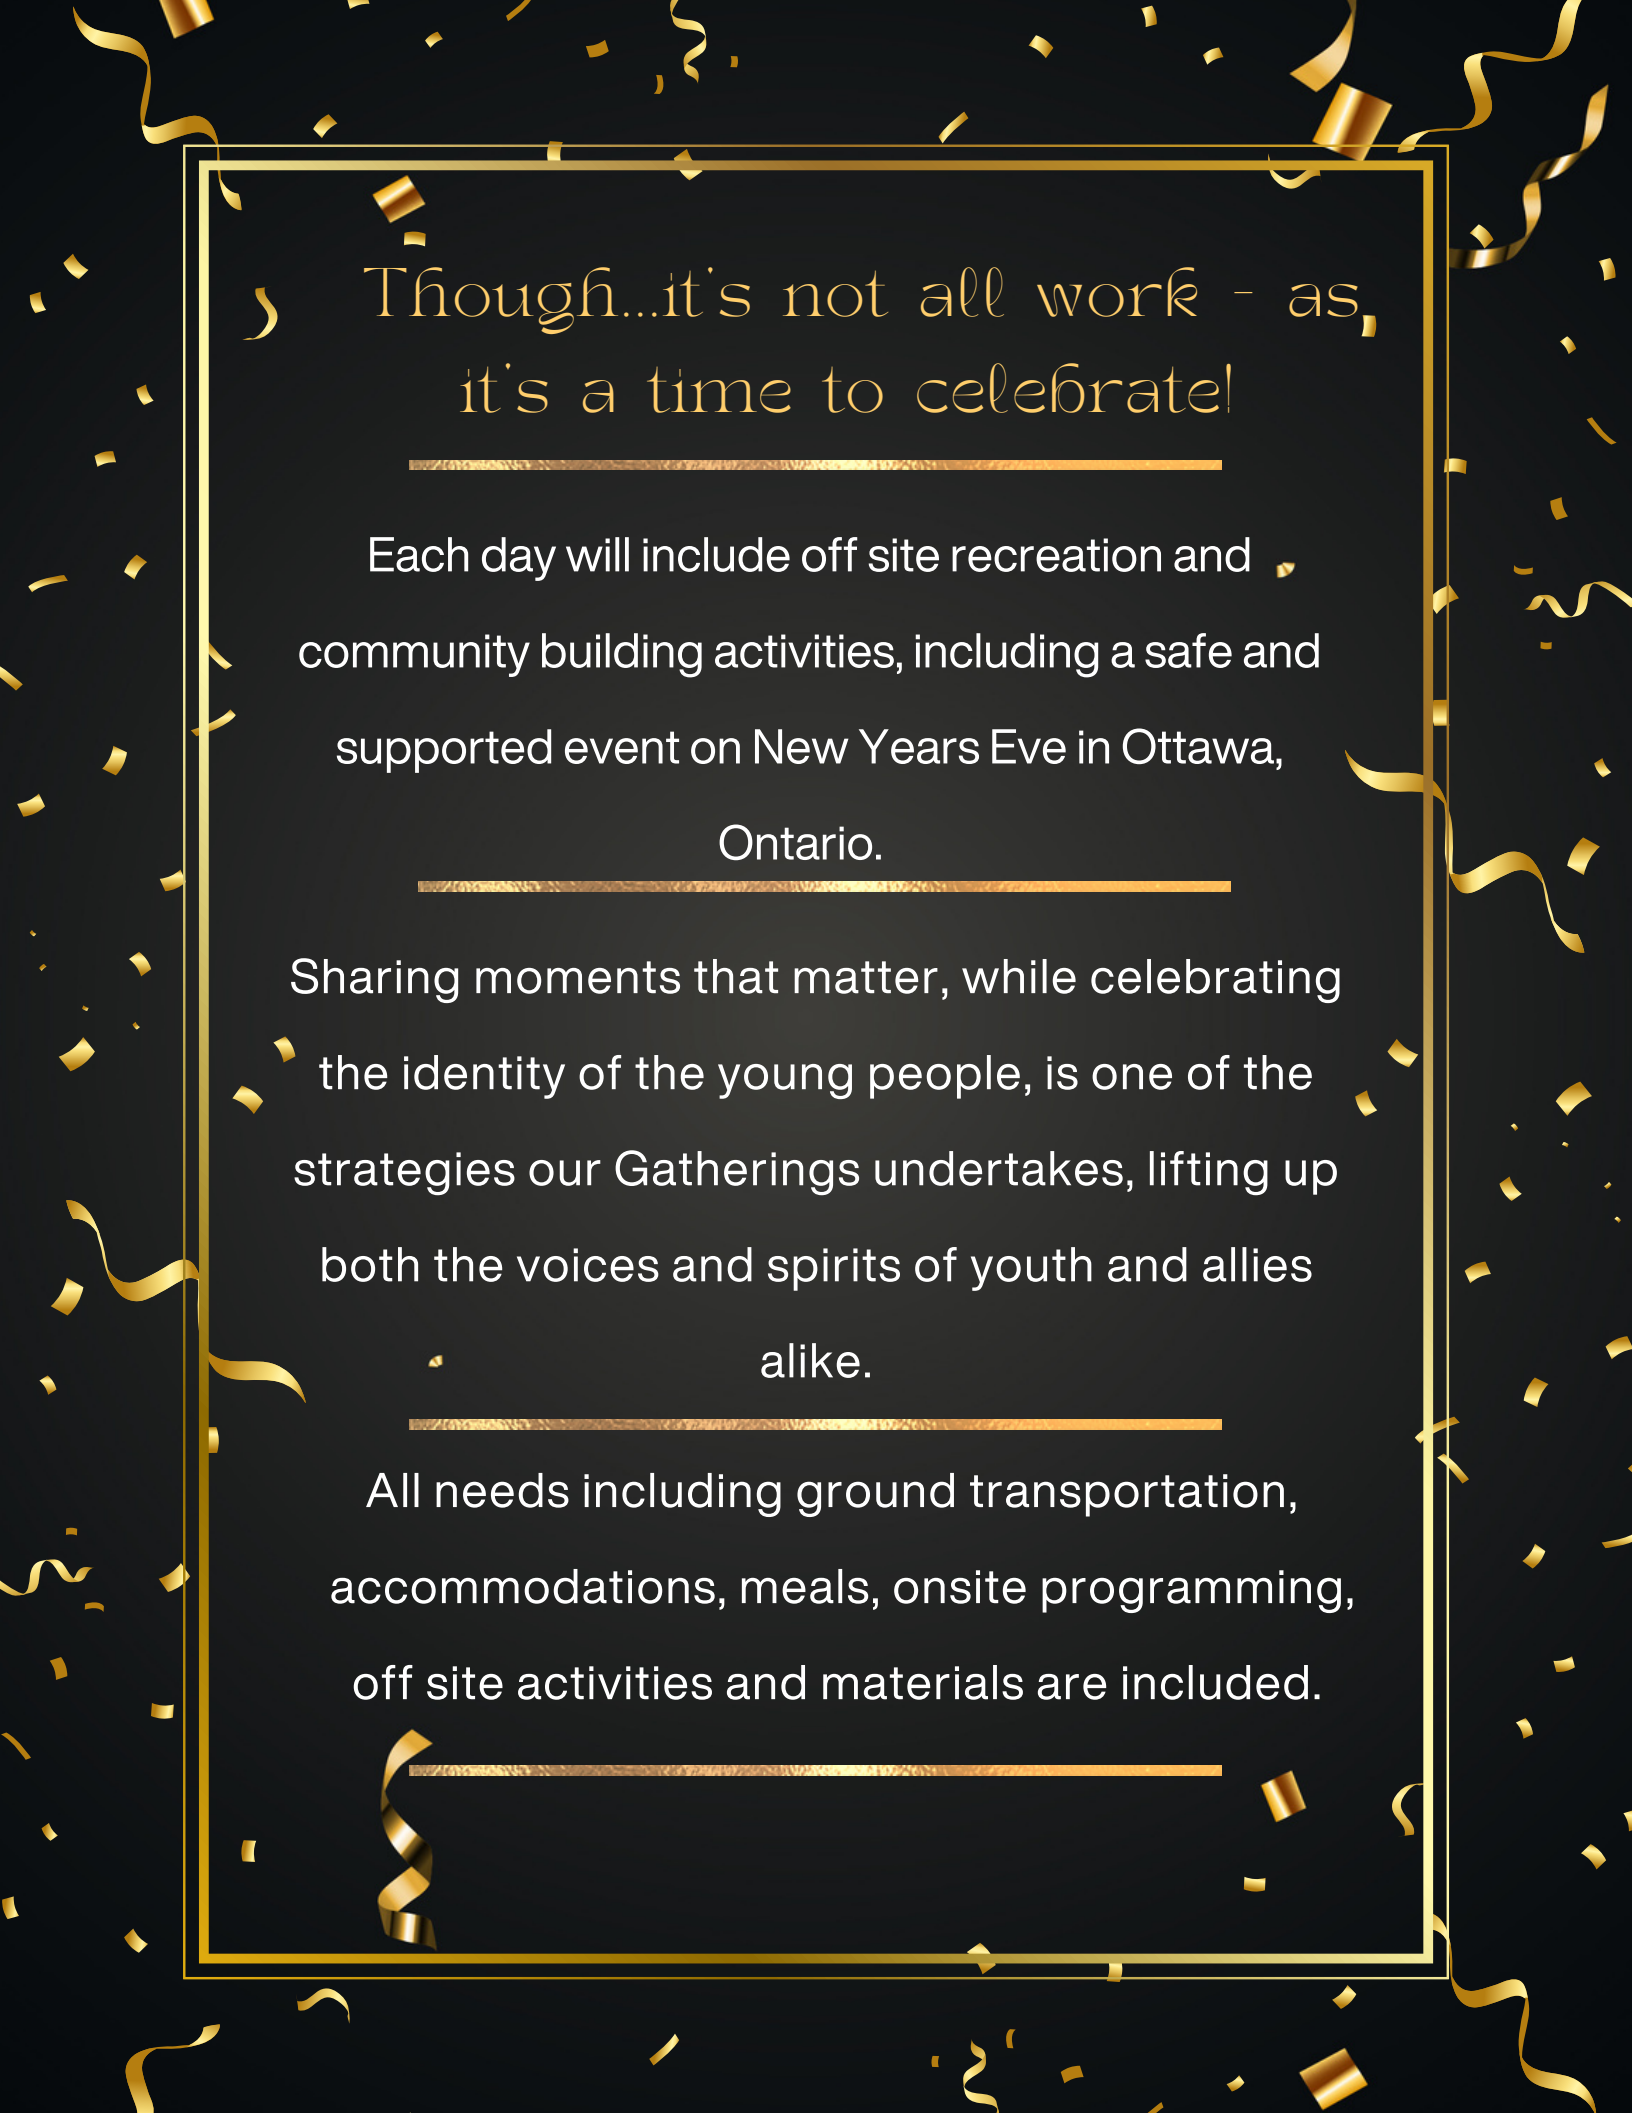

Community Building

Capacity Building

Content That Matters

Fully supported 24/7 by the Three Things team including facilitators, Child and Youth Workers, Grandmothers, and Elders in partnership with the adult allies who travel with the young people. Each youth has one specific Three Things support in place for the duration of the Gathering.

In addition, the outcomes of this important work will be helpful for leadership, education, youth programs and other supports to listen to youth and be the best supports to them in 2024.

Though...it's not all work - as,
it's a time to celebrate!

Each day will include off site recreation and
community building activities, including a safe and
supported event on New Years Eve in Ottawa,
Ontario.

Sharing moments that matter, while celebrating
the identity of the young people, is one of the
strategies our Gatherings undertakes, lifting up
both the voices and spirits of youth and allies
alike.

All needs including ground transportation,
accommodations, meals, onsite programming,
off site activities and materials are included.
